

## Join us to Celebrate 200 Years of Greek Independence with the first of a series of presentations

### WHY THE GREEK REVOLUTION MATTERS TO THE WORLD

The Greek Revolution between 1821 and 1830 is one of the most significant events in the history of Modern Greece. This lecture will examine the wider impact of the Greek Revolution and its contribution to cultural and intellectual life.

#### PRESENTED BY

Alastair Blanshard, the Paul Eliadis Professor of Classics and Ancient History at the University of Queensland.

Wednesday 24 March 2021, commencing at 7:30pm at the Greek Club, South Brisbane

Performance by The Hellenic Dancers

Tea, coffee and sweets will be served at the conclusion of the presentation

Entry is Free
